Dear Mr. Roomtin,

As mentioned on the phone I am sending you information about our current Michael Krebber exhibition. The work consists of 10 juxtaposed elements and is a purely conceptual take on abstract painting.

The work has already been reserved. We would be pleased, however, to send you information about works by Michael Krebber which are still available, should you be interested.

Unfortunately there is, by request of Michael Krebber, no press release. I would be happy to send you catalogue texts.

We would be happy to answer any questions you may have.

Best wishes,

Isabelle Erben.
